Analysis on Alumni Feedback (2017-2018)

The questionnaire containing the ten criteria was issued to Alumni members who are in contact with their respective departments at the end of the academic year 2017 – 2018. Around 240 responses overall from all the departments were obtained through the respective heads. The cumulative responses on satisfaction for each criterion are plotted as a bar diagram. From the plot, it is observed that almost all the criteria are above the level of satisfaction. Many criteria are found to be highly satisfactory. However, in the criteria 2-4 and 7-8, a few responses are observed as neutral/ not satisfactory. Hence, due importance should be given for those criteria. Separate Class rooms for Tamil/English medium students are expected to be provided.

Highly Satisfied criteria

- ❖ College is a secure place for education
- ❖ Curriculum develops employability
- ❖ Teachers are highly qualified
- ❖ Course fee is affordable

Scope for improvement

- ❖ Separate classrooms are needed medium wise
- ❖ Toilet facilities shall be improved
- ❖ Enough inputs shall be provided for placement
