Student Satisfaction Survey (2019-2020)

In order to understand the level of satisfaction among the students studied in our College and to make the effective Teaching-learning in our college campus, a questionnaire in google form was prepared by IQAC in consultation with the College council and senior faculty members from various departments, which contains seventeen questions. The google form link for the questionnaire was sent to the Students leaving the college after completion of their respective degree programmes at the end of the academic year and the responses were obtained through the Heads of the various Departments of our College. The cumulative responses on satisfaction for each criterion are plotted as pie charts. Maximum efforts were taken in collecting feedbacks from all the outgoing students of our College.

Student Satisfaction Survey Analysis (2019-2020)

The Google form link for the questionnaire containing the seventeen criteria was issued to all Students leaving the college after completion of their respective degree programmes at the end of the academic year 2019 – 2020. Apart from the seventeen criteria the students were also asked to provide suggestion for further improvement of the teaching-learning process. More than 950 responses overall from all the departments were obtained through the respective heads. The cumulative responses on satisfaction for each criterion are plotted as pie charts. From the plots it is observed that, almost all the criteria are above satisfaction level. Many criteria are found to be highly satisfactory. However, in question no. ten marginal responses are observed as neutral/ not satisfactory. Hence, due importance should be given to increase the no of books in the library and improve the placement activities.

Highly Satisfied criteria

- ❖ Effective coverage of syllabi
- ❖ Punctuality and preparation of teachers for the classes
- ❖ Ability of the teachers to communicate efficiently
- ❖ Explanation of concepts through simple examples
- ❖ Campus is good for learning and eco-friendly
- ❖ Overall learning experience in the campus

Scope for improvement

- ❖ Participation in Extra-curricular activities
- ❖ Placement activities
- ❖ Outdoor learning like internship, student exchanges, field visits and projects
