Students' Feedback (2020-2021)

In order to evaluate the Teaching-learning process and to make the effective learning in our college campus, a Google form questionnaire was prepared by IQAC in consultation with the College council and senior faculty members from various departments, which contains the twenty questions. The link for the questionnaire was published in the college website and informed to the students of our college and the responses were obtained through the motivation of the class teachers. The responses were plotted as bar diagrams and pie charts wherever applicable. Maximum efforts were taken in collecting feedbacks from all students of our college. The link for the questionnaire in Google form provided for the collection of feedback is the following:

Students' Feedback Analysis (2020-2021)

The Google form link to the questionnaire containing twenty questions was communicated to all Students of the college at the end of the academic year 2020 – 2021. More than 700 responses overall from all the departments were obtained through the respective Class in-charge teachers. It is observed that the severe pandemic of Covid-19 has influenced drastically in negative sense for the collection of responses from the parents. However, Department-wise, programme-wise and batch-wise responses were plotted as pie charts and it is found that, all department students have taken part and responded to this survey. The cumulative responses on satisfaction for each criterion are plotted as a bar diagram for each question. From the plots, almost all responses are found to be above satisfactory level in five-point Likert scale evaluation. However, a few neutral responses are also observed in a few criteria and very few negative responses are observed. In criteria, where responses are found to be below satisfactory level, due importance should be given for improvement.

Highly Satisfied criteria

- ❖ The teachers are well qualified
- ❖ The teachers clarify the doubts
- ❖ The teachers give feedback and advices

Scope for improvement

- ❖ Understanding of students' problems by the faculty
- ❖ Job oriented courses shall be included in the curriculum
- ❖ Enhancement of Library infrastructure

Analysis on Teachers' Feedback (2020-2021)

The Google form link of the questionnaire containing twenty questions was issued to all Faculty members of all the departments at the end of the academic year 2020 – 2021. Nearly hundred responses overall from all the departments were obtained through online. The cumulative responses on satisfaction for each criterion are plotted as bar diagrams and pie charts. From the plots, it is observed that almost all the criteria are above the level of satisfaction. Many criteria are found to be highly satisfactory. However it is observed that, Smart class rooms are expected for better teaching-learning process. Funds are found to be insufficient to carryout research within the campus. More no. of Journals pertaining to research should be subscribed. Separate Class rooms for Tamil/English medium students are expected to be provided.

Strongly agreed criteria

- ❖ The Syllabi is well updated
- ❖ The courses increase the employability of students
- ❖ The College provides support for skill up gradation
- ❖ Working in this College is a matter of pride

Scope for improvement

- ❖ Adequate teaching-learning facilities
