**Student Satisfaction Survey (2020-2021)**

In order to understand the level of satisfaction among the students studied in our College and to make the effective Teaching-learning in our college campus, a questionnaire in google form was prepared by IQAC in consultation with the College council and senior faculty members from various departments, which contains seventeen questions. The google form link for the questionnaire was sent to the Students leaving the college after completion of their respective degree programmes at the end of the academic year and the responses were obtained through the Heads of the various Departments of our College. The cumulative responses on satisfaction for each criterion are plotted as pie charts. Maximum efforts were taken in collecting feedbacks from all the outgoing students of our College.

**Student Satisfaction Survey Analysis (2020-2021)**

The google form link for the questionnaire containing the seventeen criteria was issued to all Students leaving the college after completion of their respective degree programmes at the end of the academic year 2020 – 2021. Apart from the seventeen criteria the students were also asked to provide suggestion for further improvement of the teaching-learning process. More than 750 responses overall from all the departments were obtained through the respective heads. The cumulative responses on satisfaction for each criterion are plotted as pie charts. From the plots it is observed that, almost all the criteria are above satisfaction level. Many criteria are found to be highly satisfactory.

The following is an analysis of the survey responses received for the Student Satisfaction Survey: Most of the students agree that the institution involves the students in the quality of teaching learning process. Maximum students feel that the teachers complete the syllabus well in time and come satisfactorily prepared to class and their communication skills are always effective. Most of the students feel the teacher's approach and attitude of teaching the topic is very good. The concepts taught are always well supplemented with added knowledge, examples and repetition as and when required. Most students feel that maximum number of teachers use ICT tools to enhance the teachinglearning process and the teaching-learning modules are very good. Many of the students feel that the evaluation process of the units test and assignments is always fair and there is a proper feedback system in place where the teachers always discuss with the students their performance and take regular follow-up of assigned tasks. Maximum students feel that the teachers always identify their strengths and weaknesses and encourage them to improve further. Most of the students are of the opinion that they adequately encouraged participating in the co-curricular activities organized by the staff of the college. Maximum students feel that the teachers satisfactorily aid and help in providing a holistic development through the mentoring system and proper guidance. Maximum students are of the opinion that they are encouraged to participant in extra-curricular activities. A large number of students agree

that the college provides them with a platform to grow while learning. Maximum students feel that their learning is moderately enhanced by the use of student-centric approaches and that they are usually made aware of the competencies required and the learning outcomes of a particular program that they are completing. Most of the students feel that the teachers make effort in inculcating skills and try to make them job ready globally. However, in a few question marginal responses are observed as neutral/ not satisfactory. Hence, due importance should be given to increase the no of books in the library and improve the placement activities.

**Highly Satisfied criteria**

- ❖ Effective coverage of syllabi
- ❖ Punctuality and preparation of teachers for the classes
- ❖ Ability of the teachers to communicate efficiently
- ❖ Explanation of concepts through simple examples
- ❖ Campus is good for learning and eco-friendly
- ❖ Overall learning experience in the campus

**Scope for improvement**

- ❖ Participation in Extra-curricular activities
- ❖ Placement activities
- ❖ Outdoor learning like internship, student exchanges, field visits and projects
