4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The college is following established procedures and policies for maintaining and utilizing physical, academic and support facilities like laboratory, library, computers, classrooms etc.

Library infrastructure and facilities

The library committee and administration have given the responsibility to purchase books and other relevant resources as per the recommendations received from the department of the college. The departments have their own library with good stock of text and reference books.

Laboratory:

The Laboratory equipments and other necessary requirements of various disciplines to their respective laboratory are fulfilled by the principal and purchase committee as per the requirement of the department concerned. Proper maintenance of equipments and laboratory log register and stock register are maintained by the laboratory assistant and supervised by the faculties and Head of the Department. Department wise annual stock verification is done by committee constituted by Principal.

Sports activities:

The necessary sports articles are purchased by the principal and purchasing committee as per the recommendations of Physical Director and students' representative. The maintenance of sports article and other equipment in sports are maintained by the physical director of the college, and every year audited by a committee constituted by the principal.

Hostel:

The hostel committee of the college is taken care the hostel facilities for both boys and girls hostel, the committee ascertains smooth functioning of the hostel and also maintains a homely environment for the inmates. Both boys and girls hostel have separate warden to maintain the functioning of hostel and discipline of the students.

Computers: - Centralized computer laboratory established to enrich the students through CLP.

Each department has appropriate number of computers and maintained by computer science department of the college.

College Campus is enabled with WIFI.

Classrooms: The maintenance of classroom is regular exercise. A committee is formed with senior faculties and principal which taken care of the classrooms requirements such as desks, benches, fan, and blackboards availability as per the recommendations of faculties and Heads of Department.

In the college campus, there is a good environment for the benefit and welfare of the students. Various committees are operating in the college to support services, student welfare and to meet their needs.

College campus maintenance is monitored through regular inspection by the principal and faculties.

Outsourcing is done for maintenance and repairing of computers, smart classroom facilities and internet facilities (WIFI connection) and broad band.
